

ACT Practicum Student Internship Plan

I. STUDENT INFORMATION	
ID Number:	
Complete Name:	
Course & Year Level:	
Contact Number:	
Email Address:	
Area of Specialization	☐ Applications Development ☐ Mobile/Web Development ☐ Programming ☐ Networking ☐ Service Management ☐ ERP ☐ Multimedia ☐ UI/UX ☐ QA Testing ☐ RPA

II. HOST TRAINING ESTABLISHMENT (HTE) INFORMATION	
Company/Organization:	
Complete Address:	
Head of Company/Organization:	
Position/Title:	
HTE Supervisor-In-Charge/Mentor:	
Position/Title:	
Contact Number:	
Email Address:	

III. ACT INTERNSHIP COORDINATOR INFORMATION	
Faculty Name:	
Contact Number:	
Email Address:	

IV. INTERNSHIP PERIOD AND SCHEDULE

Duration: From **February 09, 2026** to **June 05, 2026** (minimum 18 weeks)

Total Required Hours: **252 hours** (minimum 252 hours HTE Deployment)

Weekly Work Hours: **18** hours/week (minimum 18 hours/week)

Work Schedule:

Day	Morning	Afternoon	Total Hours
Monday			
Tuesday			
Wednesday			
Thursday			
Friday			
Saturday			

Work Arrangement: ☐ Fully On-site ☐ Hybrid ☐ Fully Remote

V. POSITION AND JOB RESPONSIBILITIES

Internship Position Title: _____

Job Description:

Primary Responsibilities: (List 5-8 specific tasks)

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

Department/Team Assigned: _____

VI. LEARNING OUTCOMES

This internship addresses the following **ACT Internship Course Learning Outcomes**:

- ☐ **A.** Apply computing knowledge and practical skills to real-world projects
- ☐ **B.** Perform entry-level technical tasks in computing specialization area
- ☐ **C.** Work effectively as team member in professional environment
- ☐ **D.** Communicate professionally with supervisors and colleagues
- ☐ **E.** Follow workplace policies, procedures, and professional standards
- ☐ **F.** Demonstrate readiness for entry-level employment
- ☐ **G.** Exhibit professional work ethic and reliable performance
- ☐ **H.** Adapt to workplace environment and continuous learning demands
- ☐ **I.** Understand industry practices and workplace expectations
- ☐ **J.** Clarify career direction and specialization preferences
- ☐ **K.** Build professional relationships and networks

VII. TECHNICAL SKILLS DEVELOPMENT

Technical Skills to Develop:

1. Skill: _____
Target Level: ☐ Basic ☐ Intermediate ☐ Advanced
2. Skill: _____
Target Level: ☐ Basic ☐ Intermediate ☐ Advanced
3. Skill: _____
Target Level: ☐ Basic ☐ Intermediate ☐ Advanced
4. Skill: _____
Target Level: ☐ Basic ☐ Intermediate ☐ Advanced
5. Skill: _____
Target Level: ☐ Basic ☐ Intermediate ☐ Advanced

Tools and Technologies:

- Programming Languages:

• Software/Applications: _____

- Development Tools: _____

- Other Technologies: _____

VIII. PROFESSIONAL SKILLS DEVELOPMENT

Soft Skills Focus:

- ☐ Communication (written/oral) ☐ Teamwork/Collaboration ☐ Problem-Solving
☐ Time Management ☐ Professionalism ☐ Adaptability ☐ Leadership
☐ Client Relations ☐ Project Management ☐ Other:

IX. INTERNSHIP ACTIVITIES AND TIMELINE

Phase 1: Orientation and Integration (Weeks 1-3)

Learning Goals:

- Understand company culture and work environment
- Familiarize with tools and workflows
- Begin initial tasks under supervision

Activity	Estimated Duration	Target Timeline (Start - End Date)	Facilities/ Room/ Lab/ Tools	Expected Output/ Deliverable

Expected Outcomes:

- Student integrated into team, basic understanding established

Phase 2: Skill Development and Application (Weeks 4-9)

Learning Goals:

- Develop technical competencies through hands-on work
- Apply classroom knowledge to real problems
- Work with increasing independence

Activity	Estimated Duration	Target Timeline (Start - End Date)	Facilities/ Room/ Lab/ Tools	Expected Output/ Deliverable

Midterm Milestone (Week 9): Midterm evaluation and feedback meeting
Expected Outcomes:

- Demonstrable skill improvement, positive supervisor feedback

Phase 3: Advanced Work and Independence (Weeks 10-15)

Learning Goals:

- Work independently on projects
- Take ownership of deliverables
- Contribute meaningfully to team goals

Activity	Estimated Duration	Target Timeline (Start - End Date)	Facilities/ Room/ Lab/ Tools	Expected Output/ Deliverable

Expected Outcomes:

- High-quality independent work, employment readiness demonstrated

Phase 4: Completion and Transition (Weeks 16-18)

Learning Goals:

- Complete final projects and deliverables
- Document learning and accomplishments
- Prepare for career transition

Activity	Estimated Duration	Target Timeline (Start - End Date)	Facilities/ Room/ Lab/ Tools	Expected Output/ Deliverable

Final Evaluation (Week 16-17): HTE supervisor completes final performance evaluation

Expected Outcomes:

- All requirements completed, career readiness achieved

X. ASSESSMENT AND EVALUATION

Evaluation Methods:

- HTE Supervisor Performance Evaluation (midterm and final)
- Faculty Advisor Site Visit Observations (minimum 2 visits)
- Weekly Practicum Journal Entries / Progress Reports
- Midterm Feedback Meeting
- Final Practicum Report and Self-Evaluation
- Attendance and Hours Verification
- Professional Conduct Assessment

Evaluation Schedule:

Timeline	Evaluation Activity	Responsible Party
Week 1-2	Initial site visit	Faculty Advisor
Week 8-9	Midterm evaluation	HTE Supervisor + Faculty
Week 9-10	Midterm feedback meeting	Faculty + Student
Week 14-15	Final site visit	Faculty Advisor
Week 16-17	Final performance evaluation	HTE Supervisor
Week 17-18	Final grading	Faculty Advisor

Grading Components:

Component	Weight
Weekly Progress Reports	10%
EClass Assignments	10%
Individual Internship Online Portfolio	20%
Internship Coordinator’s Evaluation	30%
HTE Supervisor-In-Charge Evaluation	30%
TOTAL	100%

Minimum Passing Requirements:

- Complete minimum 252 contact hours
- Complete minimum of 72 hours enhancement training
- Passing HTE and IC evaluation
- Professional conduct maintained
- All required documentation submitted

XI. ROLES AND RESPONSIBILITIES

Student Intern Responsibilities:

- Attend work regularly and punctually (18 hours/week)
- Perform assigned tasks with diligence and professionalism
- Maintain confidentiality of company information
- Follow all HTE policies and procedures
- Communicate with HTE supervisor and faculty advisor
- Maintain weekly practicum journal
- Submit all required documentation on time
- Participate in evaluations and feedback sessions
- Represent WMSU professionally
- Complete minimum 252 total hours

HTE Supervisor/Mentor Responsibilities:

- Provide meaningful work aligned with learning outcomes
- Orient student to company culture and policies

- Provide regular feedback and mentoring (weekly recommended)
- Monitor student attendance and hours
- Complete midterm evaluation (Week 8-9)
- Complete final performance evaluation (Week 17-18)
- Sign hours verification form
- Communicate with faculty advisor as needed
- Ensure safe working conditions
- Support student's professional development

Faculty Practicum Advisor Responsibilities:

- Develop internship plan with student and HTE
- Conduct initial site visit (Week 1-2)
- Maintain regular communication with student (weekly)
- Monitor student progress and learning
- Conduct midterm evaluation and feedback (Week 9)
- Conduct final site visit (Week 14-15)
- Review practicum journal and documentation
- Address student concerns and provide support
- Complete final evaluation and assign grade
- Serve as liaison between student and HTE

XII. SUPPORT AND MENTORING

HTE Mentoring:

- Primary Supervisor/Mentor: _____
- Mentoring Frequency: ☐ Daily ☐ 2-3x/week ☐ Weekly ☐ Bi-weekly
- Additional Support: _____

Faculty Advisor Support:

- Week 1-2: Initial site visit and orientation support
- Week 3-8: Weekly email/phone check-in
- Week 9: Midterm evaluation meeting
- Week 10-15: Bi-weekly monitoring
- Week 14-15: Final site visit
- Week 16-18: Final documentation and grading

Student may contact faculty advisor anytime for urgent concerns

XIII. PROFESSIONAL CONDUCT EXPECTATIONS

Expected Standards:

- **Punctuality:** Arrive on time and adhere to schedule
- **Appropriate Attire:** Follow company dress code
- **Respectful Communication:** Professional interactions
- **Confidentiality:** Protect company information
- **Work Ethic:** Diligence, reliability, quality work
- **Teamwork:** Collaborate effectively
- **Initiative:** Proactive learning and problem-solving
- **Accountability:** Take responsibility for work
- **Ethical Behavior:** Honesty and integrity

Safety and Confidentiality:

- Follow occupational safety and health protocols
- Report unsafe conditions immediately
- Comply with Data Privacy Act (RA 10173)
- Protect proprietary information and trade secrets

- Sign Non-Disclosure Agreement if required

XIV. SPECIAL CONSIDERATIONS

Student Accommodations/Considerations: ☐ Yes ☐ No

If yes, specify:

Transportation:

Technology/Equipment Needs:

Other Circumstances:

XV. APPROVAL AND SIGNATURES

By signing below, all parties confirm understanding and agreement to this Internship Plan and commit to fulfilling their respective responsibilities.

Student Acknowledgment:

I have read and understood this Internship Plan. I agree to fulfill all responsibilities outlined herein and commit to completing the internship successfully with professional conduct.

<Signature over Printed Name>

Date Signed: _____

HTE Supervisor Approval:

On behalf of the Host Training Establishment, I confirm we will provide meaningful work experience aligned with this plan. We commit to supervising, mentoring, and evaluating the student according to agreed responsibilities.

<Signature over Printed Name>

<Position/Designation>

Date Signed: _____

Faculty Practicum Advisor Approval:

I confirm this Internship Plan aligns with ACT program learning outcomes and CHED requirements. I commit to monitoring student progress, conducting site visits, and providing support throughout the internship.

ASSO. PROF. SALIMAR B. TAHIL

ACT Internship Coordinator

Date Signed: _____

Dean and Program Chair Approval:

This Internship Plan has been reviewed and approved. It meets all program standards and compliance requirements.
